2022/2023 Board Nominations

We are looking for willing, like-minded team members to join the OCGSA Board of Directors. Over the years, former and current board members have launched great programs in our softball community, and we are looking for YOU to help keep that going!

The following board positions will be open soon...

- Division Coordinator
- Snack Bar Coordinator
- Special Events Coordinator

Other positions may open up, and we'd love to hear if you're interested in specific roles on the board.

If you would like to nominate yourself or another current OCGSA parent/member who would be a good fit, please email elections@ocgsa.com.

Potential board members must be in good standing with the association and not have a track record of complaints-against or outstanding balances.
