To establish fairness for all teams, all pitchers/catchers must attend evaluations (EXCLUDES FROZEN PLAYERS FOR FALL SEASON). If a known pitcher does **NOT** attend evaluations, they are placed in the blind draw and are **ineligible** to pitch in the first 6 games of the season & tournament play unless otherwise noted.

Please refer to the “Incomplete Pitching Draft Rule”.

All players who have been APPROVED to play up a division have already been notified. No other “play up” requests will be granted, due in part to capacity issues in every division.

Jersey sizes **MUST** be confirmed before evaluations at the check in table.

PLEASE NOTE: Fields 5 and 6 are on the EAST-END of Orange Terrace Community Park, closer to the Library parking lot.
